PREMIER EXPORTS

Premier Exports is a leading wholesaler and exporter of British and European Fast-Moving Consumer Goods (FMCGs). Our main focus is to source branded goods from the United Kingdom and European markets at low and competitive prices to satisfy the ever-increasing worldwide demand.

Principally we sell all FMCGs with our specialties remaining in Confectionery, Groceries, Drinks and popular ambient products. We also ensure products hold exceptional lead times providing customers with goods which have a maximum product shelf life.

Our strong purchasing power has enabled us to source products at competitive prices and in bulk quantity, thus establishing a cost advantage. Such economies of scale at our disposal are extended to our customers, who benefit from the lowest prices, assisted with excellent service and a high level of order accuracy.
